Commissioners' Report

To the Citizens of Coos County:

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Coos County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of the County Farm, Jail and House of Correction, and other County officers.

Mr. Irving E. Bedell and Mrs. Bedell were re-appointed superintendent and matron respectively and the care they have taken of the inmates speaks well for their ability, and we feel satisfied that the interests of the county were also well protected.

In 1917 the Delegation authorized the Commissioners to raise \$64,000. and \$63,200. for the years 1917 and 1918 respectively, we were figuring at the time on the license money to make out the difference in running the county business, but on account of the repeal of the license law the county this past year was without the license money, that is \$12,500.

The aid given to the poor, when conditions warranted it, has always been prompt and efficient.

We wish at this time to convey our thanks, to all officials, organizations and citizens for their co-operation and aid given.

Respectfully yours,

J. A. VAILLANCOURT,

A. C. HICKS,

F. D. PAGE,

County Commissioners.
